

“THERE IS NOTHING LIKE A FRIEND”
(A Song Between Two Friends)

Music & Lyrics by Karen Sokolof Javitch

There is nothing like a friend
Who knows you from day one
And she shows you that it's nice
To have someone who cares.

*There is nothing like a friend
Who cries if you are sad
And who sighs if you are mad
Someone who's always there.*

Someone to walk home with
Talk on the phone with
When you feel all alone.

*Someone to love you – think of you
And make you feel at home!
You're my best friend! Thanks!
Right to the end!*

There is nothing like a friend
Who knows when not to stare – *Huh?*
Like when I cut off all my hair – *Oh, yeah*
And you didn't laugh or glare.

There is nothing like a friend

*Who plays monopoly and gin
And who will always let you win – Yeah, right
Someone who's always there.*

Someone to go to the mall with
Play volleyball with
Someone to share your dreams

*Someone to sing with
Read magazines with
And share your mint ice cream
You're my best friend – Me too
Right to the end.*

There is nothing like a friend
Who email all the time – *That's for sure!*
Who sends you lots of Valentines
Someone who really cares.

*There is nothing like a friend
Who stands up when you are down
Who make you smile when you want to frown.*

*Someone who always care – I'll always care.
Who's always there – I'm always there.*

There is nothing like my friend...
